EMPLOYMENT HISTORY

2025 - present

TRAINER - EIIIS / ARABA FENICE / NGEU/

Trainer in the field of innovation, with experience in numerous courses delivered to both the private and public sectors, focused on Industry 5.0 technologies. I work with a diverse audience, including unemployed adults aged 35-50, high school students, teachers, and professionals.

2024 - present:

INNOVATION MANAGER IN THE ONE HEALTH SECTOR

Consulting, managing, and developing innovation within the One Health domain, with a specific focus on the medical-veterinary sector, contributing to the creation of the first 5.0 veterinary clinic, recognized as a market leader by the FVE (link to the announcement: <https://uevp.fve.org/news/great-veterinary-workplaces-2025-honoured>).I managed an innovation portfolio consisting of 2 programs and 6 projects, one of which was successfully transformed into a startup. The technologies adopted include: 3D printing, AI, spatial computing, IoT, and robotics.

2023 - Present:

VICE PRESIDENT | VISIONARI ETS-APS

General Coordinator for the management of Visionari's project portfolio, overseeing European grant applications and the marketing area. Responsible for organizing events using formats such as Root of Progress, Salon, and Grand Challenge for educational and training purposes.

2020-2022

PROJECT MANAGER | VISIONARI ETS -APS

Design, development, and management of two projects:

• Visionari MakelT: a community of 80 makers that produced and distributed over 20,000 face shields and other 3D-printed PPE during the Covid-19 period.

• ITALICA: ideation, development, and distribution of the ITALICA and ITALICA 2C valves, designed to convert Easybreath 500 snorkeling masks into respirators for intensive care units. Managed the entire crowdfunding campaign.

2017-2024

PROJECT MANAGER AND MENTOR | WAYOUTH

Organized and managed over 20 national training events for Italian middle and high school students, with participation ranging from 50 to 200 students. Applied peer-to-peer mentoring methodologies within formats such as hackathons, G7 simulations, and G20 simulations, in collaboration with the Italian Ministry of Education (MIUR). Activities carried out also in the context of Expo Dubai 2020.

2020-2023
